1. Introduction

This policy sets out how requests for leave of absence will be managed.

The leave of absence policy balances the needs of the establishment with the interests of individual employees. It is based on the following principles:

- To achieve a high level of attendance and minimise disruption to the operation of the school and additional staffing costs;
- Employees should exercise their best endeavours to minimise absences, including wherever possible arranging non-urgent appointments outside of working time;
- To support employees by recognising that on occasion there may be circumstances where employees need to request time off during term time.

Leave of absence falls into three main categories for the purposes of this policy. The tables in the Appendices attached to this policy detail the types of leave of absence that may be requested and indicate whether the leave of absence is:

- Statutory - where there is a legal entitlement to some leave
- Contractual - where there is an entitlement as part of the employees' terms and conditions
- Discretionary - where there is no entitlement but leave may be agreed after consideration of the circumstances

For statutory and contractual leave, the table sets out the legal/contractual entitlement to leave and whether leave is paid or unpaid.

Where leave of absence is discretionary, a consideration will be made as to:

- Whether to grant the leave
- How much leave to grant
- Whether the leave will be paid or unpaid

2. Scope

The policy applies to all employees.

The Policy covers all absences except sickness which is covered by the Sickness Absence Procedure.

This procedure should be read in conjunction with other policies and procedures covering attendance and health, including the procedures and policies on sickness absence, flexible working and mental health and wellbeing.

3. Roles and Responsibilities

3.1 It is the responsibility of the governing board to:

- Monitor and review policies and procedures which safeguard the health, safety and welfare of staff and ensure they are implemented in a fair and reasonable manner and the operational impact on the school;
- Depute a governor to implement the absence management procedures in the case of the absence of the head teacher; and
- Establish an appeals committee as required.

3.2 It is the responsibility of the head teacher and other line managers to:

- Ensure employees are aware of the leave of absence management policy and procedures,

- Implement the leave of absence management procedures fairly, sensitively and confidentially;
- Monitor and regularly review levels of absence and take action as appropriate;
- Approve requests for leave of absences (headteacher) (amend if all line managers can approve);

3.3 It is the responsibility of all staff to:

- Take reasonable measures to minimise their absences;
- Comply and co-operate with the leave of absence management procedure;
- Inform their line manager in general terms as soon as reasonably practicable of any significant issues that may impact on their ability to perform their normal duties.

4. Procedure for applying for leave of absence

For any absences which are not sickness related, employees must follow this policy.

All applications for leave of absence must be made in writing to the headteacher (Chair of Governors where the headteacher is requesting leave).

Requests for leave of absence should be submitted by completing an Absence Request form. Copies of the form are also available from the administration office.

The employee must give as much information as possible and indicate whether they are requesting paid or unpaid leave to assist in the consideration of the request.

Each request will be considered on its own merits in accordance with this policy.

Where an individual's overall attendance causes concern, appropriate action may be taken. This may include exploring flexible working options and/or setting attendance targets.

Failure to follow this policy, unauthorised absences and failure to meet attendance targets where set may result in action under the school's capability or disciplinary procedures.

4.1 Notice requirements

Specific notice periods are mandatory for some types of leave (e.g. maternity, paternity leave) and these are indicated in the leave tables below, together with the reference point for further information.

For all other leave, employees should request leave of absence with as much notice as possible, and in any case in accordance with following timescales.

Length of leave of absence requested	Minimum Notice required
Up to 5 days	1 week
5 days and over	1 month

4.2 Emergency leave requests

In certain circumstances it may not be possible for the employee to request the leave of absence, in writing, in advance.

In these circumstances the employee must follow the agreed procedure in their school. As a minimum this will include telephoning the school to discuss the reasons for the request for leave of absence.

An initial decision whether leave of absence is granted to cover the initial emergency situation will be made and notified verbally to the employee. A written record of the details of the request for leave of absence and the decision regarding the granting of any leave of absence will be made. The record will be signed by the employee on their return to work. This will then be kept on the employee's personal file.

5. Considering leave of absence requests

All leave of absence requests will be considered in line with this policy, having regard to the particular circumstances of the case and any operational requirements of the establishment. The following factors will also be taken into account:

- how many previous requests have been made by the employee and for what reason;
- whether any previous requests for absence in the same circumstances have been approved, how many, for how long and whether the leave was paid or unpaid;
- whether they are setting a precedent for how similar requests will be dealt with in future

The employee will be notified in writing whether or not their request has been approved as soon as possible.

If the request is not agreed the employee will be notified that they have the right to appeal against the decision.

The request for leave of absence and a copy the decision will be placed on the employee's personal file.

6. Appeals

Employees have the right to appeal against a refusal to approve a leave of absence request or against a refusal to approve paid leave (where the time off has been granted as unpaid leave). Appeals should be submitted within 5 days of receiving the decision.

Any appeal lodged against a decision relating to a request for leave of absence will be heard by the **Finance & Personnel Committee**. The employee and their chosen representative (a representative from a recognised trade union or work colleague) may attend any such appeal meeting to make representation.

The decision of the **Committee** will be final.

7. Unauthorised absence

Employees who take time off work without following the appropriate procedure for requesting leave and/or who take time off without receiving appropriate approval may be subject to disciplinary action in line with the disciplinary procedure.

Employees who take unauthorised absence will not receive payment for such absence other than in exceptional circumstances.

8. Impact on Pension

When a Pension Scheme member has unpaid leave of absence, the period of any such leave will not count towards their Pension.

- Members of the Local Government Pension Scheme can buy back any period of authorised unpaid leave through an Additional Pension Contribution (APC) contract. [LGPS member site](#)
- Members of the Teachers' Pension Scheme can purchase additional pension subject to a minimum amount. [Working Life | Teachers' Pensions](#)

9. Data Protection

When an employee makes a request for leave of absence under this policy, the school will process any personal data collected (including written records of meetings held under this process) in accordance with its data protection and retention policies. Data collected as part of a leave of absence request is held securely and accessed by, and disclosed to, individuals only for the purposes of processing leave of absence requests.

10. Equality, Diversity and Inclusion

These procedures will be operated in an inclusive manner. While some terminology is replicated from statute and/or national terms and conditions, relevant provisions will be interpreted as being sex and gender neutral where appropriate.
